

Protecting Land, Plants, and Animals, Together  
2023 Year in Review

# From Our Board

Dear friends,

The Friends of the Forest Preserve District of DuPage County, a 501(c)(3) nonprofit organization, welcomes gifts at every level to advance the Forest Preserve District's mission "to acquire and hold lands for the purpose of preserving the flora, fauna, and scenic beauty for the education, pleasure, and recreation of DuPage County citizens." It is our pleasure to extend a heartfelt thank you for your generous contributions in 2023. Your involvement makes a difference.

Informed citizens, like you, recognize the value of healthy ecosystems and outdoor recreation close to home. You may know that a large share of the revenue the District depends on for its operations comes from DuPage County real estate taxes (in 2024, taxes account for 64% of District budgeted revenue). For every dollar paid by DuPage residents, fewer than 2 cents comes to the Forest Preserve District. User fees, investment income, grants, and donations help supplement tax revenue to care for the forest preserves we all know and love. Together, we are protecting clean air and water, improving wildlife habitat, and sustaining our quality of life. Your contributions matter.

It is an ongoing challenge to care for nearly 26,000 acres of forest preserve land, operate seven education centers, and maintain the network of trails and amenities that make nature-based recreation enjoyable and accessible. It is a challenge that has grown since the District's founding in 1915, as land holdings and visitation increased. The District rises to this challenge thanks to dedicated efforts by its leaders, staff, volunteers, and friends.

We encourage your continued participation as a champion for the Forest Preserve District of DuPage County. Your support allows the District to restore natural areas, care for injured or orphaned native wildlife, and maintain quality outdoor spaces. Together, we are nurturing a deeper connection to nature today and creating a legacy of conservation for future generations.

Thank you for being a friend!

*Diane Addante*

Executive Director

## Our Mission

To advance the vision of the Forest Preserve District through philanthropic endeavors

# Friends Board of Directors

Your Friends board of directors plays an important role in stewarding the resources that you share so generously. We are inspired by each member for thoughtful leadership and generosity to our mission.

With their guidance, the Friends granted funds to sustain several programs you love at the Forest Preserve District. More than half of that funding was designated to Willowbrook Wildlife Center, which helped to ensure the center’s staff and volunteers had the supplies needed to administer care to injured and orphaned native wild animals.

Mike Dyer, Dave Stang, Joe Suchecki, and Jeanette Wells were welcomed as new members to the board.

We also wished Karyn Charvat, outgoing board member, “happy trails” in November at our annual meeting.

If you are interested in learning about board service, please contact Partnership & Philanthropy at 630-871-6400 or [fundraising@dupageforest.org](mailto:fundraising@dupageforest.org).

# Your Impact

## Where Your Gifts Made a Difference

The Friends of the Forest Preserve District of DuPage County 501(c)(3) helps the community support the Forest Preserve District's mission. Nearly 1,000 donors, corporations, civic groups, and organizations made gifts to the Friends of the Forest Preserve District to support native wildlife rehabilitation, preservation of Mayslake Hall, habitat restoration in DuPage forest preserves, and more.

## Friends' Support

- Wildlife Rehabilitation **60%**
- Mayslake Master Plan **25%** Support
- Educational Programs **6%**
- Habitat Restoration **4%**
- Recreational Amenities **3%** & Improvements
- Blanding's Turtle Head-Start **2%** Program

# Community Partners

## With Thanks to Our Community Partners

We build relationships with like-minded civic groups, foundations, and corporations to help support DuPage forest preserves and nature-based opportunities year-round. All contributions benefit the Forest Preserve District's mission, master plan, and initiatives and supplement tax revenue for the benefit of your community.

# Special Events, Programs, & More

The Friends of the Forest Preserve District hosted two informational sessions about the Willowbrook Wildlife Center master plan and opportunities for donors and community partners to support the project.

At the “Stewardship for the Birds” program, Bob Fisher, Forest Preserve District volunteer, and other DuPage Birding Club experts, introduced donors to the research behind how habitat restoration benefits bird populations at DuPage forest preserves.

The Native Plant Presale at Mayslake Peabody Estate in Oak Brook provided a ticketed opportunity to shop for native flowers, grasses, shrubs, and trees.

The “Friends Forest Tours” kicked off in August with Mike Dyer, board member of the Friends. The monthly hike continues to bring folks together to enjoy exercise and camaraderi at forest preserves.

We hosted “A Walking Tour of Springbrook Prairie Nature Preserve,” a guided hike to celebrate the 60th anniversary of the Illinois Nature Preserves system. The hike was just one of 25 hikes and other activities at dozens of nature preserves across the state.

At the “Blanding’s Turtle Sundaes & Social Hour,” Dan Thompson, ecologist with the Forest Preserve District, featured highlights from the head-start program, followed by conversation over ice cream.

# Special Events, Programs, & More

At our signature duck race, over 200 rubber ducks raced to raise funds in support of habitat restoration and native wildlife.

Donors, community partners, and fellow nature enthusiasts came together at “A Night for Nature” to raise funds for wild areas and wildlife in DuPage forest preserves.

Our Ambassadors Circle donors enjoyed a special reception at the Fall Festival at Danada. While there, we also recruited some help for the wild animals under Willowbrook Wildlife Center’s care by making snuffle mats for enrichment purposes and collecting much-needed items from the center’s wish list.

Giving Tuesday kicked off the season of giving with a \$4,000 matching challenge by the Friends of the Forest Preserve District’s board, demonstrating its commitment to caring for DuPage forest preserves and providing access to nature to all who love it.

Thanks to the generosity of two local wildlife enthusiasts and long-time donors, a \$15,000 matching challenge invited others to support the Willowbrook Wildlife Center master plan campaign.

Our annual meeting and donor reception celebrated the generosity and commitment of our donors and community partners who help to steward the forest preserves.

# 2024 Budget Plan

At its annual meeting in November 2023, the Friends of the Forest Preserve District approved a budgeted income of \$576,500 and total expenses of \$1,116,969 to contribute to the success of our Forest Preserve District's care of wild areas and wildlife and commitment to environmental sustainability.

Your donations are the primary source of revenue for the foundation, and we welcome gifts of cash, appreciated assets, IRA-qualified charitable distributions, and donor-advised fund grants.

We invite you to consider notifying us if you have included the foundation in your estate plans. We plan to recognize legacy donors each year at our annual meeting and in the annual report.

Thank you for your generosity, which makes a difference not only for DuPage residents and forest preserve visitors today but also into the future. For more information, contact Partnership & Philanthropy at 630-871-6400 or [fundraising@dupageforest.org](mailto:fundraising@dupageforest.org).
